Created from the dream of an Italian immigrant more than 60 years ago, Henri Studio, LLC, located in Wauconda, Ill., is the world leader in original handcrafted cast stone products, including unique fountains, statuary and outdoor furnishings.

When the opportunity arose to acquire the one-time family business, an ownership group including the immigrant's descendants approached Whyte Hirschboeck Dudek S.C.'s client,

WHD closes loan to Henri Studio, LLC

Associated Commercial Finance, Inc., for a loan to purchase the company. Associated turned to WHD to do the deal.

Today, the company's family tradition and philosophy hold strong—making products that are one of a kind in design, form and function. All Henri Studio products are manufactured in the United States and are sold throughout the United States, United Kingdom, Ireland and the rest of Europe.

To reality

The creativity continues...
